Laurel Highlands High School  
Uniontown, Pennsylvania

# —building this new Laurel Highlands Senior

## FOREWORD

The new Laurel Highlands Senior High School, like the two old buildings which presently comprise the L-H Compound, will be constructed of steel and cement—strong and permanent, but ever changing as the students, faculty, classes and times make changes.

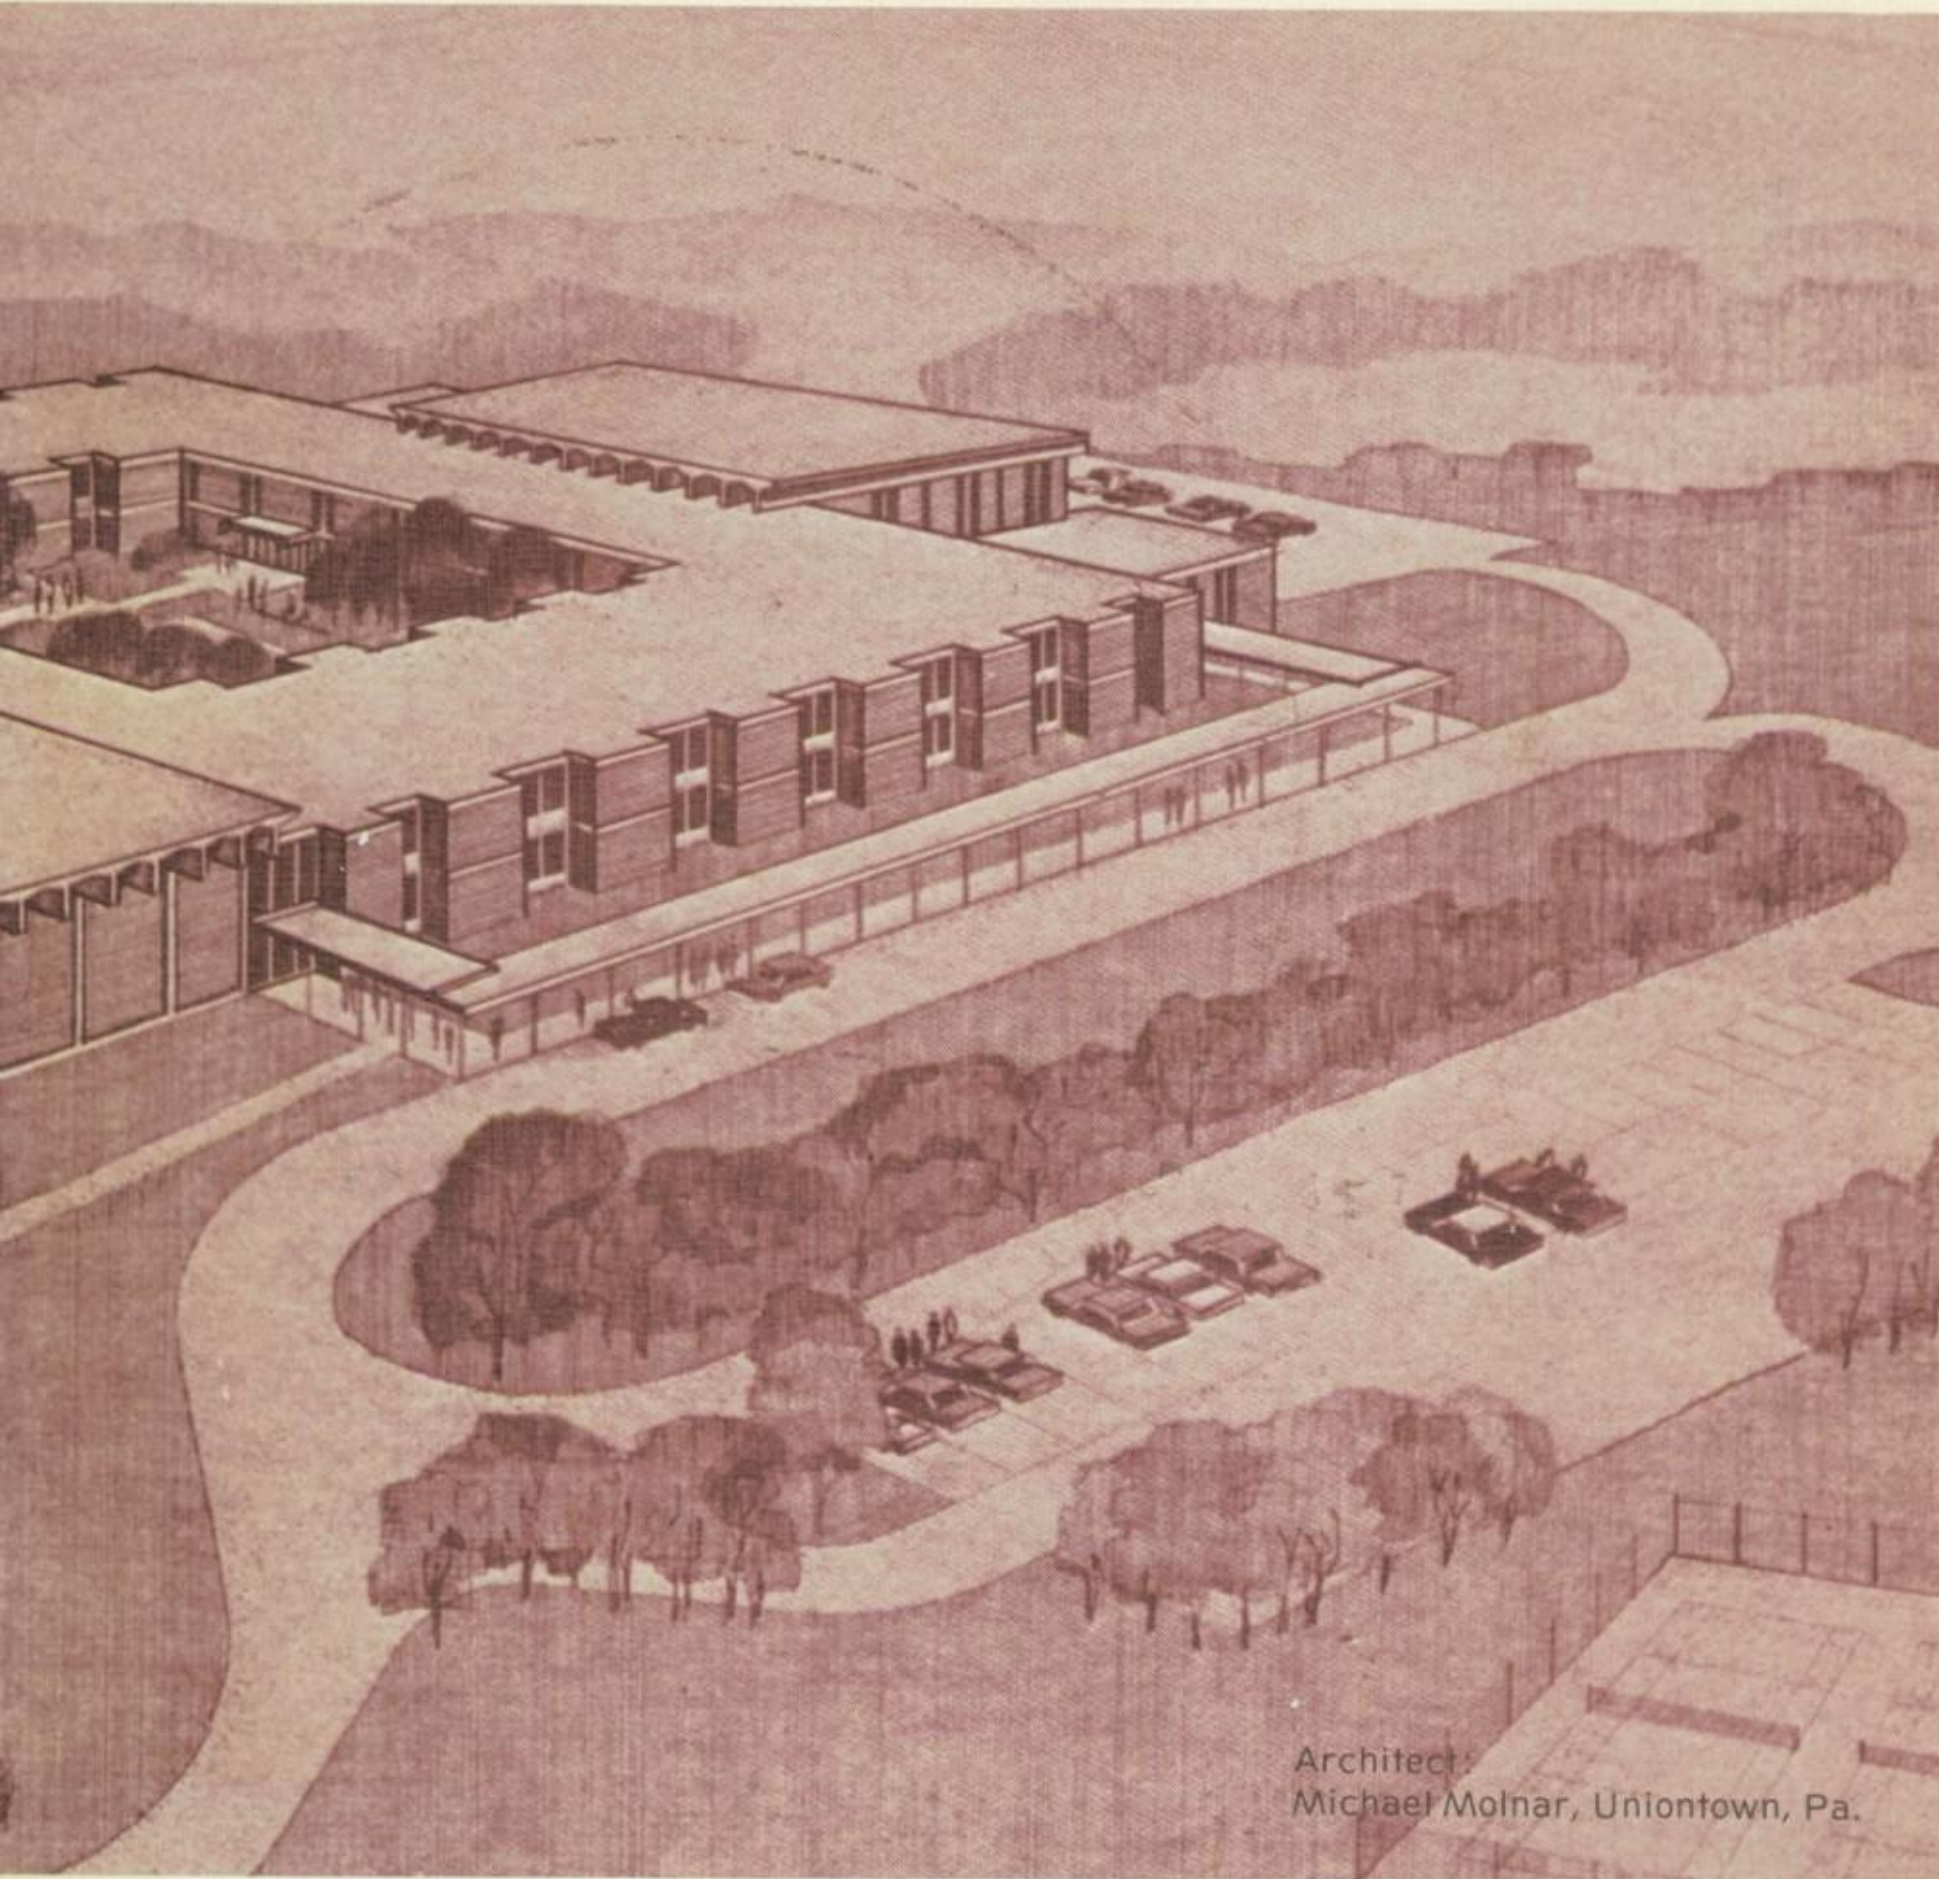

The Class of '71 has, in its years as students, seen the actual formation of the Laurel Highlands School District. We have seen the Devils of South Union and the Rams of North Union meld to become the Mustangs of Laurel Highlands. We have widened our circle of friends to include our peers from across the town, and with them have successfully planned dances, produced plays, organized clubs, and cheered our athletic teams.

Each individual has been a part of this four year building program and together we have established a firm foundation for a basic phase of any school— School Spirit. Although abstract, this Spirit, is established and will go with the Class of '73 and all the classes to come after it, when the students move in the fall of '72 to the edifice photographed above.

The Highlander Staff, in this Volume V, is attempting to depict a collection of the people and events which have made our Laurel Highlands. Carl Sandburg in his poem "Skyscraper" says, "It is the men and women, boys and girls, so poured in and out all day that gives the building a soul of dreams and thoughts and memories." Happy memories of Laurel Highlands High School.

## Mr. Lukotch and company . . .

Mr. Furin, North Laurel Assistant Principal, Mr. Lukotch, Laurel Highlands Principal, and Mr. Raho, South Laurel Assistant Principal have been the architects and contractors for the structure of Laurel Highlands . . . They are concerned with the solid foundation and the future expansion of all facilities.

Books are solid building bricks. These North and South library assistants admire a few new acquisitions.

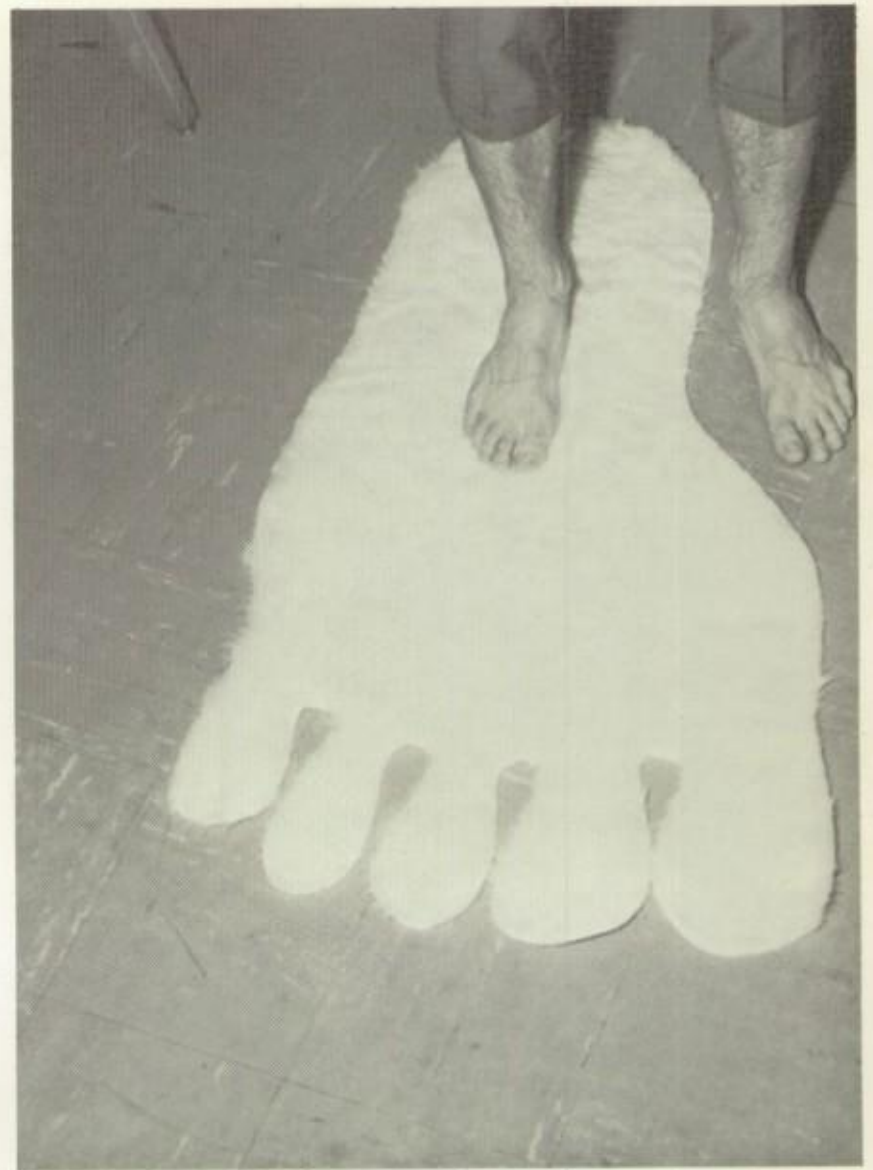

A surveying problem along the new highway project is an example of practical application of Advanced Mathematics.

Activities extend far  
beyond the walls of  
the L-H Buildings.

Laurel Highlands' famous  
feet measure up for a  
GIANT STEP into the future.

Sophomore, Laurie Yar-  
ris tamed the Tiger and  
charmed the judges as  
Laurel Highlands Rep-  
resentative at the Miss  
Teen-Age America Con-  
test in Dallas, Texas.

The World came to Uniontown too— Curt Gowdy and Bob Prince, famed sportscasters, pose with Andy Abraham, Bill DeShields, winner of the Sports Illustrated Special Award and Bill Pillar at the annual Big-Ten Awards Dinner.

Money's the thing. Mr. Mike Corodi, Numismatics authority, exhibits his collection and explains what and how to collect.

## Cooperation required to build a perfect football afternoon

They're not in the game this minute—but they're an integral part of the Mustang football team.

Loyal fans contemplate the remainder of the game and look forward to one of the five victories registered by the '70 Team.

Good team spirit helps give the players confidence. The cheerleaders do their share and sometimes are successful in igniting the lackadaisical fans.

Missed by his classmates is Steve Fetsko, who died in a tragic accident in his Junior year. Friends Mark Skoric and Bob Fetsko pause at the famed photo of Independence Hall in Philadelphia which was presented to the Library at North in Steve's honor, by members of his Junior Home Room.

Academic honors came to South students who scored high on the National Merit Test. Left to right they are: Karen Sinkule, commended student; Bobbi Witt, Semi-Finalist; Ed Harris and Donna Ozenich, commended students.

Helen Liptak models her original outfit which won honors in the state Federated Women's Club competition.

Dave Yacubovich dreams of designs or at least models.

Horsemanship brought honors to Bill Shepard and his mount at many horse shows in the tri-state area.

The Magazine Campaigns in both schools were successful this year. High Salesmen and colorful prizes are shown above.

The Senior Council and sponsors Mr. Fisher and Mrs. Garner view the new interstate highway and think about the roads of life they will travel soon.

## Special Features

Homecoming Queen Renee Miller rehearses for the special event as she poses atop Pete Slavic's brand new Fiat.

The Homecoming Court, Queen Renee, Bev Skomra, Lana O'Conner, Michelle Parfitt, Cindy Zimmovan, Georgia Trusio, and Wendy Dunham. Their Escorts are Mike Avera, Greg Pavlock, Mike Caffrey, Ed Harris, Kevin Bealko, Jim Work, and Ron Inks.

# Memories are made of these---

SENIOR PHOTOS— posed for in June, delivered in December.

The 1971 LOOK— minis, midis, maxis, gaucho, pant suits or skirts and sweaters, everything was apparent everyday.

SNOW BALL— was the theme of the Senior Dance of January 16. Crowned king and queen were Tom Bowden and Sue Sneddon. The time is wrong but the setting is perfect.

STUDENT COUNCIL— co-ordinated school activities. Rod Muchnok was North president, Randy Costolo, vice president and Mark Vojacek, treasurer. Susan Gibson was secretary.

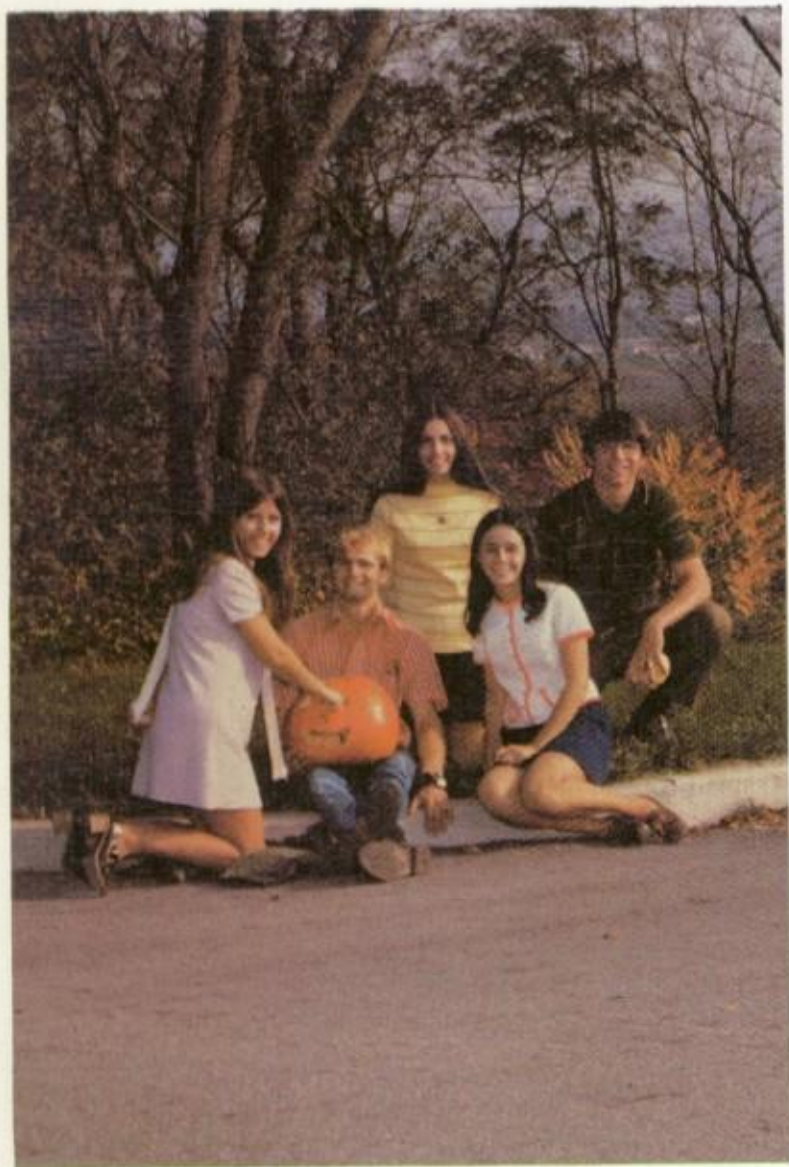

NOON HOUR FUN— "Alas, Poor Yurick, we knew him well."

## RECORD SEASON

The Five Wins and Four Losses Record on the books for the Laurel Highlands 1970 Football Team, does not really tell the whole story. It was a winning season, the first for the five year old school, but more than that it was a record-shattering one. Team records and Individual records were established. As a team the Mustangs put eleven new records on the register, and the spectacular running back Bill DeShields, who brought national fame to the school when he was awarded a Sport's Illustrated trophy, also set eleven new marks.
